It was decided to refer the question to the Registrar of Co-operative Societies.

(3) Training of Vaidyans in Vaccination work:-

The President said that the idea of training Vaidyans for ~~xxx~~ vaccination w-ork was a good one. a small bonus being given to them and the same condition being imposed on them as on Vaccinators and they being placed under the control of the Sanitary Department.

Mr.Pani was not in favor of the proposal as he thought that the ~~Deputy Commissioner, Shimoga~~ Vaidyans could not be expected to make use of fresh vaccine lymph for purposes of vaccination.

It was resolved that The Deputy Commissioner, Shimoga ~~was~~ be asked to propose a scheme.

(4) Establishment of Vaidyasalas at Tagarti and Ulvi

The President said that the question might be dropped, as the Senipr. Surgeon considered a unnecessary Vaidyasala at the above places and the ~~Deputy Commissioner~~ District Commissioner of Shimoga were of the same opinion

Sir,

I have the honour to state that with a view to train Ayurvedic Pandits in vaccination also, it was suggested by the Sub Division Officer of Sagar that the Native Pandit of Avinahalli might be deputed for training. The subject was laid before the Malnad Improvement Committee at their meeting held on the 30th April 1920 when the following resolution was passed, "Resolved that a recommendation be made to Government to depute the Pandit for under-going training in vaccination in the Vaccine Institute, Bangalore, at the cost of the Committee." As regards the educational qualifications of the Pandit he can read and write Kanada fluently. Native Pandits ---- generally, if given training in Vaccination also, will be of great service to the Public.

2. I request you will be so good as to obtain orders of Government in the matter

3. The cost of training, that is, a Scholarship of Rs. 10/- per month during training and the actual travelling expenses incurred by the candidate will be borne by the Malnad Improve-
